Our Students: Their Spiritual and Religious Lives will help senior administrators from church-related institutions understand their students' religious and spiritual lives and consider broad missional responses to this information in terms of faculty development, teaching, spiritual/pastoral care, and student services. The workshop will not offer a declension narrative; rather, the workshop hopes to understand contemporary shifts in our students' lives so that church-related schools can best align institutional practices with these shifts.

The Workshop is offered at no cost to senior administrators at Lilly Network member institutions as well as twenty guests from non-member schools. Each institution is eligible to register one senior administrator (president, vice president, academic dean, provost, or equivalent). One participant from each school will be reimbursed for travel costs up to \$600. Meals and hotel accommodations will also be paid by the Lilly National Network of Church-Related Colleges and Universities. Additional participants from member schools will be waitlisted until September 4, 2019, and will be enrolled as slots become available.

The Workshop will begin with 11:00 am registration on Thursday, October 17, 2019
and end by 1:00 pm on Friday, October 18, 2018.
